Parking

As you may have noticed, we do not have an abundance of parking. In order to keep students and staff safe and to help traffic move along smoothly, please note:

- All students arriving prior to 7:45 a.m. must be dropped off at the elementary gym.
- After 7:45 a.m. elementary students should be dropped off in front of the elementary building on Pueblo Ave., the west side of Riverton St. or near the elementary gym.
- After 7:45 the secondary students may be dropped off by the modulars; however please note that this is also staff parking. Please be courteous and leave any available parking for staff.
- Parking between the elementary gym and the new gym is designated for parents dropping off preschool students and for student drivers.

Thank you for your help in keeping our campus parking areas safe and clear!
