

Indoor/Outdoor Full Contact Sports Opt-In Form

Updated 4/22/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer indoor/outdoor full contact sports for the 2020-21 school year in accordance with the Oregon Health Authority’s Sector Guidance – Indoor Recreation and Indoor Fitness Establishments. Once final, post this form to your school or district website and a link to it will then be sent to ODE.

In Lower Risk and Moderate Risk counties, practices and games for indoor/outdoor contact sports can resume following health and safety guidance to be issued by the Oregon Health Authority.

In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming indoor/outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.

Please fill out the following information for your school, district or program:

Information Needed	Your Response
Name of School, District or Program	Willamette Valley Christian School
Key Contact Person for this Plan	Debbie Tipton
Phone Number of this Person	503-393-5236
Email Address of this person	dtipton@wvcs.org
Specify Indoor/Outdoor Full Contact Sports Included in this Plan	Indoor – Basketball, boys and girls
Intended Starting Date for this Plan Update	

School Instructional Model

OHA Requirements

- The school must Offer, at a minimum, Comprehensive Distance Learning *with* Limited In-Person Instruction (LIPI), with the goal of implementing Hybrid or full On-Site Instructional Models for students before the end of the 2020-21 school year.
- Detail your school's current instructional model and note the date it began.

Plan Details for School Instructional Model

Please enter the details of your plan that correspond to the requirements listed above:

- We are operating on a Hybrid Instructional Model. Our high school students are on campus two days a week and have Distance Learning two days a week. Should a student become ill, we will have distance learning available, so they can easily reenter when feeling better. If a student isn't able to attend because of medical condition or illness, they may utilize the distance learning for their extended absence until they are able to return. If it is necessary for a cohort to quarantine, we are prepared to go back to Comprehensive Distance Learning for that duration. We started with this model on February 8, 2021.

On-Site Testing for Symptomatic Individuals and Close Contacts

OHA Requirements

- The school must offer on-site responsive testing for symptomatic individuals and those with known exposures to individuals with COVID-19. This applies to athletes and support staff and volunteers. Schools must also be in compliance with state guidance for COVID-19 testing.
- Detail your school's specific plans to meet this requirement.
- Please review [COVID-19 Testing in Oregon's K-12 Schools](#) for additional information.

Plan Details for On-Site Testing for Symptomatic Individuals and Close Contacts

Please enter the details of your plan that correspond to the requirements listed above:

We have registered with OHA for testing and have received the testing kits. The test administrator, Debbie Tipton has completed the training for the BinaxNOW point-of-care antigen test. She will verse specimen collection from a distance and has been vaccinated. She is also the testing reporter. A backup testing administrator, Jeni Norbo has also completed the training.

If a student or staff member develop COVID-19 symptoms while at school, the person will self-administer the test with guidance from the test administrator. The person will go home after the test. Students must have a consent form signed by a parent in order for us to perform the test.

All test results will be reported to Marion County Health and Human Services and will be kept confidential.

Contact Information for Contact Tracing

OHA Requirements

- The school must commit to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each indoor/outdoor contact sports practice and contest.
- Detail your school's specific plans to meet this requirement.
- Sample contact tracing forms:

Student-Athlete Waiver

OHA Requirements

- The school must have a waiver completed for each student-athlete prior to indoor/outdoor fullcontact sports participation identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19.
- Waivers must be kept on file at the school. Detail your school's specific plans to meet this requirement.
