## Re-Enrollment Reminder!

As of April 1st we will be opening up enrollment to the public. This year many of our classes were at the maximum number of students that we could have in a classroom. If you sign up by March 31st you will still have your spot from this current year. However, once it is open to the public we can no longer guarantee that spot. So if you intend on returning next year please take the approximate 15 minutes it takes to fill out the re-enrollment in RenWeb.

To re-enroll your student go to RenWeb just like you would if you were looking at your students grades. The code is wl-or and then you will need your user name and password. On the left hand side you will see where it says enroll/re-enroll. Click that and it will take you to the next steps that you need to finish up your enrollment. Everything should be prepopulated so it should only take a few minutes to make sure that everything is up to date and to fill in a few things that need to be done. If you have any issues with this please email Julie Shackelton at [jshackelton@wvcs.org](mailto:jshackelton@wvcs.org) and we will see what can be done to help you with this process.

You will need to:

- \* complete the enrollment form through RenWeb
- \* pay the \$100 registration fee (to the office by either calling it in, dropping off a check or cash or mailing it in)
- \* sign up in FACTS or email the office to let them know that you plan on paying in full to [jshackelton@wvcs.org](mailto:jshackelton@wvcs.org)

These three things need to be done no later than March 31st to secure your spot here at the school. We really look forward to the upcoming year and what God has in store for Willamette Valley Christian School.
